

INT. DINKY DOUG'S SUPERMARKET - DAY

OLLY (24, Gecko) pushes a shopping cart through the aisles. The cart is full of food, mostly cheese and applesauce cups, with MARGO (22, English Bulldog) who is sitting on top guiding Olly.

OLLY  
Why in Jupiter did we get so much  
applesauce!?

Margo pulls out a coupon as she pushes her way back through the cart towards Olly.

MARGO  
Two words! Cou-pon. Buy 499 get  
one free.

Olly runs the cart into something.

OLLY  
Margo! You gotta be my eyes. What  
in the world are you even doing up  
there?

Margo has eaten all the applesauce.

MARGO  
(mouthful of applesauce)  
Oh, we need more applesauce.

OLLY  
Oy, you know we still gotta pay for  
those, right?

Margo pulls out another coupon.

MARGO  
Not with this coupon. Eat 500  
applesauce cups in under a minute,  
void all payment.

OLLY  
Who's giving you these coupons!?

MARGO  
Kevin.

TITLE CARD: Kevin (Porcupine, unassuming, 20) waves hello as he stands in the center.

CHILDREN (V.O.)  
Kevin!

OLLY  
Ugh. We need cerea--

MARGO  
Cereal!? They have cereal here?!

OLLY  
Well duh, it is a SUPER-mark--

MARGO  
Cereal! Cereal! Cereal!

Olly and Margo turn the corner into the cereal aisle. The cereal boxes glow heavenly.

MARGO (CONT'D)  
(in awe)  
Holy cannoli.

OLLY  
Okay Margo, pick two out. I'll do the sa--

Margo bursts out of the shopping cart, dancing and singing.

MARGO  
Golden Stacks, Fruity Blasts,  
Cavity Crunch and Bits. / Sugar  
Plops, Frosterooos, and Crispy  
Crunchy Sticks! / O' Sugarland, My  
Wonderland. / Brighten my day! / O'  
Sugerland, My Wonderland. / Let's  
all go out and play!

Olly brushes Margo off, sets the cart aside, and browses the cereal.

OLLY  
Hmm, which one, which on-- oof!

Olly walks right into a large cereal box fort.

OLLY (CONT'D)  
You got to be kidding me.

Olly walks into the box fort. Everything is made from cereal boxes. Margo is sitting on a couch, eating cereal, and watching television.

MARGO  
(mouthful of cereal)  
Olly boy, look! Got the tv  
working.

(MORE)

MARGO (CONT'D)  
 It took a hot second to make the  
 cathode-ray tube out of cereal, but  
 I persisted. Persisted!

OLLY  
 (annoyed)  
 Did you pick your two?

Margo pushes her two cereal boxes over to Olly.

OLLY (CONT'D)  
 Sugar-Os?

Olly picks up the Sugar-Os box up, sticks his hand in and  
 pulls out a handful of sugar.

OLLY (CONT'D)  
 This is literally just a box of  
 sugar.

Olly picks the other box up.

OLLY (CONT'D)  
 And this one just says, "Box of  
 Toys."

Olly looks closer at the cereal box.

OLLY (CONT'D)  
 Says here the prize inside is a  
 piece of cereal.

MARGO  
 (mouthful of cereal)  
 You can have the prize.

OLLY  
 Let me show you what real cereal  
 looks like.

Olly pulls his two cereal boxes out from behind him.

OLLY (CONT'D)  
 Grassy Grass Crunch, 100% dried  
 wheat grass flakes, and Johnny  
 Rockets, which has enough fiber to  
 make a dinosaur poop. The trick is  
 to mix the two, 3 to 1 ratio.

Margo is fake snoring.

MARGO  
 I'd rather eat the box.

OLLY  
Which you have.

Margo is eating a cereal box. She holds it up.

MARGO  
Atomic Sugar Box. Their ink is  
made out of sugar.

OLLY  
Okay, okay. How about this? We'll  
mix mine with yours, best of both  
worlds, huh?

MARGO  
Only if we get chocolate milk.

OLLY  
Almond milk.

MARGO  
Two percent.

OLLY  
Skim.

MARGO  
One.

OLLY  
Deal! Now let's go home.

MARGO  
Last one out pays!

Margo runs out of the box fort knocking it over with Olly  
still inside.

OLLY  
Maaarrrgggooo!
